Genocides in Africa
Research Using Periodicals

You will use periodicals (newspapers and magazines) to research one of the genocides in Africa—either in Rwanda or Darfur. You will select articles from the time period when these atrocities were happening and/or when those involved were brought to justice. For **Rwanda use the years 1993 to 1995 and/or 2008 to 2009.** For **Darfur use 2002 to 2010.**

**Steps**

1. Create a NoodleTools project for this assignment. The name of the project should include both the genocide selected and your last name.
2. Share this project with the correct project inbox.
   - A Period 2018 Genocide Research
   - B Period 2018 Genocide Research
   - G Period 2018 Genocide Research
3. Find 3 to 5 articles related to the genocide you select. Be sure the articles are from the given time period.
4. Enter the correctly formatted MLA citation information into your NoodleTools project.
5. Pick 2 articles to read and actually read each BEFORE you begin taking notes.
6. Make 5 or 6 NoodleTools notecards for each of the two articles. (That means you will have 10 to 12 notecards) Be sure to format the cards correctly and include the required information:
   - Useful title giving the main topic of the info on the card
   - Source
   - Copy/paste from article
   - Your notes which **MUST be in bullet form**

**Evaluation**

_____ /10 For having 3 to 5 citations

_____ /10 For correctly formatting citations

_____ /10 For having the required number of notecards (10 to 12)

_____ /20 For formatting notecards correctly

_____ /40 For quality of the notes- how well summarize articles and copied information

_____ /10 For mechanics (spelling, capitalization) of notes

_____ Final Grade (This will go into the Minor projects, multi-day assignments category.)
